Our contract with You

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You (see the definition of "You" for details of who is covered by this term). We only cover those parties shown in the Schedule unless otherwise stated in the Policy as being a person or entity entitled to cover. If more than one person is insured under the Policy, a failure or wrongful action by one of those persons may adversely affect the rights of any other person insured under the Policy.

We cover You in accordance with the insurance as described in this Policy, for the Period of Insurance shown on the Schedule and for any subsequent period where renewal may be agreed. The maximum amount We will pay under the Policy will not exceed the Sum Insured shown on the Schedule unless otherwise specified herein.

You are required to comply with the terms and conditions of the Policy. Please remember that if You do not comply with any term or condition, We may (to the extent permitted by law) decline or reduce any claim payment to the extent We are prejudiced by Your noncompliance and/or cancel Your Policy.

The Policy consists of:

- this document which sets out the standard terms of Your cover and its limitations;
- Your current Schedule issued by Us. The Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant to You that amend the standard terms of this document; and
- any other change to the terms of the Policy otherwise advised by Us in writing (such as an Endorsement) specified before entry into the Policy. These written changes may vary or modify the above documents where required or permitted by law.

These are all important documents and should be carefully read together and kept in a safe place for future reference. When You enter into the Policy You confirm and warrant that You have read or will read the Policy documents when provided to You. Any new or replacement Schedule We may send You, detailing changes to Your insurance or the Period of Insurance, will become the current Schedule, which You should carefully read and retain.

We reserve the right to change the terms of this insurance where permitted to do so by law.

Understanding Your Policy and its important terms and conditions

To properly understand the significant features, benefits and risks of this insurance You need to carefully read:

- all of the documents that make up the Policy, including the Policy Schedule and any Endorsements or other written changes to the cover We issue You with specified before entry into the Policy or issued where required or permitted by law – these contain specific details relevant to You and can affect the cover.

Headings are provided for reference only and do not form part of Your Policy for interpretation purposes.

Goods other than Livestock and motor vehicles

Each insured Transit commences when the Insured Goods are first moved inside the warehouse/premises or other place of storage for the specific purpose of loading onto the Conveying Vehicle for transport to a destination outside the premises at which loading takes place, continues during the ordinary course of Transit and terminates when:

- the Insured Goods are last moved when being delivered to the intended destination or such other place as You may instruct; or
- The normal course of transport is interrupted at Your (or the seller/purchaser's) election for the purposes of storage, allocation or distribution.

The insured Transit includes any Transit to or from and while the Insured Goods are at any premises for the purpose of packing or preparation for shipment for a period of up to one month prior to shipment.

The insured Transit excludes any period of dismantling, erection, commissioning or installation prior to or post Transit as defined above, unless otherwise agreed by Us and specified in the Policy Schedule.

Cover terminates when the wheels or tracks of each Motor vehicle(s) being transported as Goods are driven off the Conveyance and are on the road or loading dock immediately adjacent to the Conveyance, or are parked in the premises or in the loading dock, provided this is within 200 metres of Your Conveying Vehicle and the vehicle is driven from the Conveying Vehicle into the loading dock or premises immediately as part of the unloading process.

The following provisions apply to all types of Goods provided that the Goods remain within the Geographical Limits expressed in the Policy Schedule:

Claims under this Policy are subject to the application of Average or Coinsurance unless specifically noted otherwise.

Provided You have an Insurable Interest in the Goods and subject to the Conditions Of Cover, exclusions, any Warranty(ies) contained in the Schedule and the Sum Insured of this Policy, We will pay claims in accordance with the Basis of Valuation shown in the Schedule.

At Our option (acting reasonably) We will pay You, repairers or other parties:

- if there is no invoice value, at Our option either:
 - (i) the cost of replacing the Insured Goods with similar Insured Goods of the same age and condition or as near as possible to that age and condition; or
 - (ii) the actual market value of the Goods.
- For damaged Goods: the cost of repairing or reinstating the Insured Goods to a condition equal to but no better or more extensive than its condition immediately prior to the loss or damage (including the reasonable cost of any necessary overtime). However, under no circumstances do We cover You for any reduction in the value of Goods because of repairs.

In the event of claim under the Policy where You are authorised by Us to carry out repairs to the Insured Goods, it is agreed that such repair costs shall be based on Your normal commercial rate which includes Your normal element of profit. Please contact Us to confirm approval for these costs.

The following exceptions apply to the above provisions:

- **Livestock:** the net invoice value covering the Livestock whilst in Transit, or, if there is no invoice value, the cost of replacing the Livestock with similar Livestock of the same age, breed and condition or as close as possible to the age, breed and condition of the original Livestock, not exceeding the limit of liability expressed in the Schedule.
- Where the Goods carried are **artwork, paintings, pictures, statues or antiques**, the reasonable cost of repairs up to the Sum Insured of the particular item excluding any depreciation consequent on this. The market value of the Goods will be assessed with reference to an independent and qualified valuer.
- For **new machinery**, the cost of replacement or repair of the part or parts plus any additional charges for forwarding and refitting.
- For **used machinery**, in the event of a Total or Constructive Total Loss:
 - For sales/purchases: the purchase or sale price (invoice price) plus freight and incidental transport charges;
 - For stock transfers and other movements not involving a sale/purchase to evidence the value of the machine:
 - where a second hand market for the goods exists: market value at the time of the loss plus freight and incidental transport charges;

- for specialised machinery where there is no second hand market: the new replacement value based on the closest available equivalent machine of similar technical specifications less agreed depreciation based on the age, commercial value based on current usage, capacity/output etc. and condition of the insured machinery at the time of the loss, or where no new replacement value can be ascertained or residual value determined, the written down asset value as evidenced by Your asset register and/or accounting records, plus freight and incidental transport charge.

The amount payable in the event of a partial loss will not exceed the cost of repairing and reinstating the item to a condition equal to but not better or more extensive than its pre-loss condition, and in any event not exceeding the above.

- **Packaging/shipping containers:** the cost of repair or replacement (as required by the hand over agreement or similar document) but not exceeding the insured sub-limit expressed in this Policy or the Policy Schedule where different.
- In the event of loss affecting **labels** only, the amount recoverable is limited to the cost of new labels, reconditioning and relabelling the Goods.
- **Pairs and Sets Clause:** In the event of loss of or damage to an article forming part of a pair or set no regard shall be made to the value such article(s) may have to the pair or set and the amount recoverable under this Policy shall be calculated as a proportionate part of the insured value of the pair or set.
- **General Average/Salvage charges:** We will pay General Average and Salvage charges in full irrespective of the amount insured being less than the contributory value. Provided, however, that all Insured Goods shall be insured for not less than amounts calculated on the respective Basis of Valuation as nominated in the Schedule.

We will cover You for Goods in which You as a buyer or seller retain a contingent financial interest, to the extent that:

The interests of any party other than You (e.g. financiers, other owners and/or lessors) who You require to be covered by this insured are protected under this Policy provided You have informed Us about them and We have agreed to include them and noted them on the Schedule.

Where the protection provided by the Policy covers the interest of more than one party, any act or omission of an individual party will not prejudice the rights of the remaining parties, provided:

- the remaining parties, as soon as reasonably possible on becoming aware of any act or omission that increases the risk of loss or damage, give notice in writing to Us and on demand pay any reasonable extra premium which We may require in order to maintain cover for the increased risk as a result of the act or omission, that We may agree to provide.

Terrorism

We will not cover death, injury, illness, loss, damage, cost or expense directly or indirectly caused by, contributed to by, resulting from or arising out of or in connection with any act of Terrorism other than while the Goods are in the normal course of Transit as defined by this Policy regardless of any other cause or event contributing concurrently or in any other sequence to the loss. This Policy also excludes death, injury, illness, loss, damage, cost or expense directly or indirectly caused by, contributed to by, resulting from, or arising out of or in connection with any action in controlling, preventing, suppressing, retaliating against, or responding to any act of Terrorism. Where this Policy or any cover extension specifically provides cover for inland or other further transits following on from a storage period, or termination as provided for in the definition of Insured Transit in this Policy, cover will re-attach, and continues during the ordinary course of that Transit but terminating as specified in the Insured Transit provisions of this Policy.

General conditions and Cover restrictions

Applicable law

This Policy is governed by and shall be construed in accordance with the laws of Australia. Any dispute relating to the Policy shall be submitted to the exclusive jurisdiction of a competent Court within the State or Territory of Australia in which the Policy was issued.

Authority

We may give to and obtain from any other insurers, insurance reference bureaus and credit reporting agencies any information relating to Your credit or insurance history as well as insurance claims information.

Breach of Warranty or condition

The law gives Us a number of rights if You do not comply with the conditions of this Policy. In particular cases We may be able to:

- cancel the Policy;
- avoid the Policy from the commencement date of the Period of Insurance;
- refuse or reduce Your claim to the extent We are prejudiced by Your noncompliance.

Warranties are conditions which must be exactly complied with, whether material to the risk or not. Under the Marine Insurance Act 1909, where applicable, if they are not complied with, then, subject to any express provisions in the Policy, We are discharged from liability as from the date of the breach of the Warranty, but without prejudice to any liability incurred by Us before that date.

Deck Shipments Clause

Where the Goods are transported in shipping containers which are not fully enclosed and these are shipped "on deck", cover excludes loss, damage or expense caused by or arising from rust, oxidisation, discolouration, fresh water or sea water unless as a result of a peril listed under the heading Option B on page 12.

Declaration of actual Turnover or Sendings

The deposit Premium advised at the inception of each Period Of Insurance is provisional and based on the estimated annual Turnover or Sendings during the Policy period agreed. On expiry of the Period Of Insurance the Policy will be adjusted by applying the agreed rate percent to the actual Turnover or Sendings for that period. For the purpose of ascertaining any adjustment to this Premium, You must provide, as soon as reasonably possible after expiry of each Period of Insurance, the actual Turnover or Sendings.

The difference between the Premium based on the actual figures at the end of the period and the Premium calculated at inception will be paid by or allowed to You, as the case may be, but in any event a minimum **retained Premium** equivalent to 75% or as may otherwise be agreed, of the full Premium based on the initial estimates will be retained by Us.

We agree to waive any adjustment of Premium other than the difference between the deposit Premium paid and the full Premium based on the original estimates provided by You where the difference between the actual Turnover/Sendings and the estimated Turnover/Sendings is less than 10%.

If the deposit Premium is \$5,000 or less, the deposit Premium shall be regarded as the minimum Premium for the Period Of Insurance shown in the Schedule and no adjustment of actual figures is required other than the difference between the deposit Premium paid and the full Premium based on the original estimates provided by You.

You are required to take reasonable steps to keep accurate records of all such figures and, on request, to provide Us with a copy of these records.

Delay or interruption by You

If after discharge of the Insured Goods at destination, You by Your action or failure to take action:

- delay the forwarding or;
- cause the Insured Goods to be stored at any location other than the buyers' or other final warehouse or place of storage at the port of destination;

then to the extent permitted by law, You may prejudice Your rights under this Policy to make a claim.

Due Care

It is a condition of this Policy that at all stages You must take Due Care in the handling, storage, protection and movement of Goods and the provision of instructions to any transport services providers You engage to transport Your Goods.

Other insurance

If, at the time of any loss, damage or Accident that may give rise to claim under the Policy, there is any other insurance Policy covering the Insured Goods whilst in the ordinary course of Transit effected by any other party then We reserve the right to seek contribution from any other insurer(s). If You are aware of such other insurance covering either wholly or in part the Insured Goods, You are required to notify Us. You must also provide Us with full information and all reasonable assistance in the recovery of Our rateable proportion of such loss or damage.

Prohibited cover or payments

Irrespective of any other provision of the Policy, We shall not be deemed to provide cover or be liable to pay any claim or provide any benefit (including a refund a Premium) hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would contravene or otherwise expose Us to any penalty, sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, the European Union, United Kingdom or United States of America.

Subrogation/Rights of Recovery Clause

We have the right to take action or institute legal proceedings, in Your name, for the recovery of payments made and expenses incurred in relation to any claim covered by this Policy, against any person, company or entity legally liable to You in respect of that claim. You must take reasonable steps to provide Us with full information and all reasonable assistance in the recovery of those payments or expenses.

Waiver of subrogation rights

We may not be liable to pay any benefits under this Policy for loss or damage to Insured Goods if You agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate You with respect to that damage to Insured Goods after the loss of or damage to the Insured Goods has occurred, to the extent that Your loss would have been recoverable from that person but for the agreement. This provision does not apply to Your signature of a Transport Operator's standard conditions of cartage, consignment note, Bill of Lading, Air Waybill or similar contract of affreightment.

Claims

GST notice

This Policy has a GST provision in relation to Premium and Our payment to You for claims. It may have an impact on how You determine the amount of insurance You need. Please read it carefully. Seek professional advice if You have any queries about GST and Your insurance.

Limit of Indemnity

All monetary limits in this Policy may be increased for GST in some circumstances (see below).

Claim settlements – where We agree to pay

When We calculate the amount We will pay, We will at Your request either pay You or the owner of the Insured Goods or Livestock and We will have regard to the items below:

- Where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim (such as services to repair a damaged item insured under the Policy) We will pay for the GST amount.

We will pay the GST amount in addition to the Limit of Indemnity or other limits shown in the Policy or in Your Schedule.

If Your Limit of Indemnity is not sufficient to cover Your loss, We will only pay the GST amount that relates to Our settlement of Your claim.

We will reduce the GST amount We pay for by the amount of any input tax credits to which You are or would be entitled.

- Where We make a payment under the Policy as compensation instead of payment for a relevant acquisition, We will reduce the amount of the payment by the amount of any input tax credit that You would have been entitled to had the payment been applied to a relevant acquisition.

Disclosure – input tax credit entitlement

If You register, or are registered, for GST You are required to tell Us Your entitlement to an input tax credit on Your Premium. If You fail to disclose or understate Your entitlement, You may be liable for GST on a claim We may pay. The Policy does not cover You for this GST liability, or for any fine, penalty or charge for which You may be liable.

Claims procedures

These procedures are important. Failure to follow them might jeopardise a claim under this Policy.

In order to be sure that You are covered under this policy You should always contact us for approval before You incur expenses you wish to claim. If You do not, We will pay for expenses incurred up to the amount We would have authorised had You asked Us first.

Notification

A. You MUST as soon as reasonably possible after You become aware of any, or any potential loss or damage which may result in a claim under the Policy take reasonable steps, at Your own expense as if You are not insured to:

- (i) take such measures as may be reasonable for the purpose of averting or minimising such loss or damage. We will reimburse You for any charges properly and reasonably incurred in pursuance of these duties.

Measures taken by You or Us with the object of saving, protecting or recovering the Insured Goods insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of any party;

- (ii) advise Us as soon as reasonably possible of the loss or damage or death or injury of Livestock where applicable including the location and circumstances of the loss, time and date. We may decide to appoint a surveyor or an assessor to inspect the damage to determine the cause, and who might be responsible for it. You should take reasonable steps to co-operate with the surveyor fully as this will assist with the speedy adjustment of Your claim;
- (iii) take all reasonable action to recover lost or stolen Insured Goods and minimise the claim, including, in respect of Livestock, mustering and agistment of the animals (which are claimable under this Policy to the extent of the covers listed under the Additional Benefits section);
- (iv) as far as possible preserve any Insured Goods or other items which might prove necessary or useful as evidence. In respect of Livestock, where it has been necessary to remove or dispose of them on the order of responsible officials, death of the animal is to be certified by a veterinarian or the responsible official;
- (v) in the event of a General Average contribution arising under the Policy, consult Us or Our nominated settling agent before signing any General Average bond;

(vi) properly preserve and exercise all rights against carriers, bailees or other third parties specifically:

- do not release those parties from liability;
- do not give “clean receipts” where Insured Goods are in doubtful condition. That is, when the Insured Goods are delivered, You will be asked to sign the carrier’s receipt (i.e. consignment note or delivery docket) which usually acknowledges that the consignment was received in good condition.

If there is any obvious evidence of damage or shortage do not under any circumstances sign the document.

If a signature is required, add a note to the effect that the Insured Goods were delivered damaged. That is what is termed a “qualified receipt”.

If You suspect that there is damage, even if it is not obvious, add a note to say that ‘You are accepting the Insured Goods in apparent good order and condition’.

Giving a signature without any comment is termed giving (or signing) a “clean receipt”.

A “clean receipt” infers that You agree that the Insured Goods were not damaged at the time the signature was given. That makes it difficult for You to prove to the carrier that You have a valid claim.

- if Your Insured Goods are delivered in a shipping container, examine the locks and seals and compare the numbers with those listed on the shipping documents, preferably before the container is removed from the Conveying Vehicle that delivered it to Your premises.

If the container is delivered damaged or with seals broken or missing or with seals other than stated in the shipping documents, note the delivery docket accordingly and retain all defective or irregular seals for subsequent identification;

(vii) if the loss or damage was not immediately apparent at the time of delivery, apply as soon as reasonably possible for surveys by the carriers or other bailees, to be conducted within 3 days of delivery;

(viii) provide Us with a written claim detailing:

- the nature and extent of the loss or damage;
- any other insurance that may exist on the Insured Goods;

(ix) attach original or legible photocopies (of both sides of any document that has anything on the reverse) of any of the following that are applicable to the circumstances:

- shipping invoices, specifications, packing lists, weight notes, gate passes;
- commercial invoices;
- bill of lading, air waybill, or consignment note (an original is preferable, and may be required for any recovery action against a third party);
- copies of all correspondence exchanged with any third party;
- any internal (within Your company) reports or memos detailing the extent of the damage;
- repair quotations or receipts;

and any other reasonable supporting documents that might confirm the circumstances of the loss or damage and substantiate the amount/s being claimed.

B. You or Your buyer SHOULD NOT:

- (i) authorise the repair or replacement of anything without Our agreement. Please contact Us to confirm approval for these costs;
- (ii) dispose of any damaged Insured Goods without giving Us the opportunity to examine those Insured Goods. To ensure You are covered, please contact Us before any disposal.

C. After You have advised Us of any loss of or damage to Insured Goods:

- (i) You must comply with all Policy terms and conditions before We will meet any claim under the Policy. We may reduce or refuse Your claim to the extent We are prejudiced by Your noncompliance;
- (ii) We have the right to recover from any person against whom You may be able to claim any money paid by Us. We may take over and conduct, in Your name the defence or settlement of any claim and We will have full discretion in the conduct of any proceedings in connection with the claim. We will act reasonably having regard to Your interests, and will keep You informed if You ask Us to;
- (iii) We may pay You the Sum Insured under the Policy or any lesser amount for which a claim or claims may reasonably be settled. After We have paid You, We will no longer be liable for the claim(s) (or future conduct of the claim(s)) except for costs and expenses incurred up until the time We pay You that We previously agreed to pay.
