Our contract with You

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You (see the definition of "You" for details of who is covered by this term). We only cover those parties shown in the Schedule unless otherwise stated in the Policy as being a person or entity entitled to cover. If more than one person is insured under the Policy, a failure or wrongful action by one of those persons may adversely affect the rights of any other person insured under the Policy.

We cover You in accordance with the insurance as described in this Policy, for the Period of Insurance shown on the Schedule and for any subsequent period where renewal may be agreed. The maximum amount We will pay under the Policy will not exceed the Sum Insured shown on the Schedule unless otherwise specified herein.

You are required to comply with the terms and conditions of the Policy. Please remember that if You do not comply with any term or condition, We may (to the extent permitted by law) decline or reduce any claim payment to the extent We are prejudiced by Your noncompliance and/or cancel Your Policy.

The Policy consists of:

- this document which sets out the standard terms of Your cover and its limitations;
- Your current Schedule issued by Us. The Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant to You that amend the standard terms of this document; and
- any other change to the terms of the Policy otherwise advised by Us in writing (such as an Endorsement) specified before entry into the contract. These written changes may vary or modify the above documents where required or permitted by law.

These are all important documents and should be carefully read together and kept in a safe place for future reference. When You enter into the Policy You confirm and warrant that You have read or will read the Policy documents when provided to You. Any new or replacement Schedule We may send You, detailing changes to Your insurance or the Period Of Insurance, will become the current Schedule, which You should carefully read and retain.

We reserve the right to change the terms of this insurance where permitted to do so by law.

Summary of the available covers

Please note that this is a limited summary only and not a full description of the covers. Each cover noted is subject to terms, conditions, exclusions and limitations that are not listed in this summary. You need to read the cover sections and the Policy to properly understand the cover provided.

The Policy is made up of two sections.

Section 1 – Loss or Damage to Hull, Machinery and Equipment

This section covers You for loss of, or Damage to, the Vessel caused by any of the events listed in the Policy including Accidental loss or Damage. If You obtain an Agreed Value Policy rather than a Market Value Policy, We will pay You up to the amount We agree with You for Your Vessel. If You obtain a Market Value Policy We will pay You up to the sale value of Your Vessel.

Section 2 – Legal Liability to third parties

This section covers You for amounts You are Legally Liable to pay as compensation for Accidental death or bodily injury to any person other than You or Your Crew including paying passengers and/or Accidental loss or Damage to other people's property. It also covers You for certain legal costs and expenses.

Each section (comprising the information contained in the Schedule, in the Policy wording and in any Endorsement) must be read in conjunction with the General Policy Conditions and General Policy Exclusions and other documents setting out the terms of the Policy, as though it were a separate Policy.

You are not automatically insured under each section. You are only covered for the sections that are specified as applicable in the Schedule.

We will only cover Your interest in the insured property unless We specifically include cover for the interest of a third party.

Cover is only provided where the relevant event incident or event that results in a claim under the Policy occurs during the Period of Insurance and within the Geographic Limits (where applicable).

The maximum amount We will pay under the Policy will not exceed the Sum Insured or the Limit of Indemnity shown on the Schedule.

No Workers Compensation cover

This Policy does not include workers compensation cover. Such cover is compulsory for employers and You should arrange separate insurance.

Understanding Your Policy and its important terms and conditions

To properly understand the significant features, benefits and risks of this insurance You need to carefully read:

- about each of the available types of cover and benefits and exclusions in Sections One and Two (the standard cover provided under each section can be affected by the following);

- the rest of this "Introduction" section – this sets out how You apply for cover, the basis on which We insure You, the duty of disclosure You need to meet before We insure You, Our privacy information, Our dispute resolution procedures and other important information;
- the "Words with special meaning" section – this sets out what We mean by certain words used in the Policy. These words begin with a capital letter throughout this document. Each coverage section may also contain definitions relevant to that section;
- the "General Policy exclusions applicable to all sections" section – this sets out the general exclusions and limitations that apply to all covers and benefits;
- the "General Policy conditions applicable to all sections" and "Claims" sections – these set out certain general rights and obligations that You and We have and other cover restrictions;
- all of the documents that make up the Policy, including the Policy Schedule and any Endorsements or other written changes to the cover We issue You with specified before entry into the contract or issued where required or permitted by law – these contain specific details relevant to You and can affect the cover.

Headings are provided for reference only and do not form part of Your Policy for interpretation purposes.

Applying for cover

When You apply by completing Our application process You need to provide the information We require to determine whether to issue a Policy and if so, on what terms, including (to the extent they are optional):

- the covers and benefits You want (including the property You wish to cover);
- the limits You want;
- the period of cover You want;
- whether You want any third parties to be noted as having an interest;
- the Deductible that You agree to contribute for certain claims;
- whether any standard terms need to be varied (this may be by way of an Endorsement).

Where We agree to issue a Policy, cover is provided on the basis:

- that You have paid or agreed to pay Us the Premium for the cover provided;
- of the verbal and/or written information provided by You which must have given in accordance with Your Duty of Disclosure.

Your Duty of Disclosure, and the consequences of nondisclosure, are provided under the heading 'Your Duty of Disclosure' on page 5.

Renewal procedure

Before Your Policy expires, We will advise You whether We intend to offer renewal and if so on what terms.

This document also applies for any other renewal We make, unless We tell You otherwise.

It is important that You check the terms of any renewal before renewing to satisfy Yourself that the details are correct. In particular check the sum insured amounts to ensure that the levels of cover are appropriate for You or if You are insuring for Agreed value, the full replacement value of Your Vessel, to ensure that You are properly covered in the event of a major loss.

Please note that You need to comply with Your Duty of Disclosure before each renewal (see below).

Contact for assistance or confirmation of cover

If You need to confirm any Policy transaction or clarify any of the information contained in this Policy or, if You have any other queries, please contact Us via the details on the back cover.

Your Duty of Disclosure

Before entering into a contract of general insurance with Us, You have a duty, under the Insurance Contracts Act 1984 and the Marine Insurance Act 1909 (as applicable) to disclose to Us every matter which:

- You know; or
- a reasonable person in the circumstances could be expected to know,

is relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to Us before You renew, extend, vary or reinstate a contract of general insurance.

This duty of disclosure applies until the contract is entered into (or renewed, extended, varied or reinstated as applicable).

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by Us; or
- that is of common knowledge; or
- that We know or, in the ordinary course of Our business as an insurer, ought to know; or
- as to which compliance with Your duty is waived by Us.

Non-disclosure

Where the Insurance Contracts Act applies

Where the Insurance Contracts Act applies, if:

- You fail to comply with Your duty of disclosure, We may be entitled to reduce Our liability under the contract in respect of a claim to the extent Our interests are prejudiced by Your failure to comply with the duty of disclosure, cancel the contract or both;
- Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

Where the Marine Insurance Act 1909 applies

Where the Marine Insurance Act 1909 applies, if You fail to comply with Your duty of disclosure, We may avoid the contract from its beginning.

Who must tell Us?

Everyone who is insured under the Policy must answer the question in this way.

Alteration of risk

Where the Insurance Contracts Act applies

If You become aware of any changes to the facts or circumstances which existed when this insurance commenced that You know or ought reasonably to have known is relevant to Our decision to insure You and the terms on which We will insure You (for example, the nature of Your Commercial Vessel operations or way Your Vessel is moored) You must notify Us as soon as reasonably possible in writing. If We agree to the change We will do so in writing and You must pay Us any additional Premium We require. We may cancel Your policy if there is a change and We can't reach an agreement with You on altered terms and conditions or Premium; or We are no longer prepared to insure You because there has been a material change to the risk.

Where the Marine Insurance Act applies

You must give Us notice as soon as reasonably possible in writing if there is any material change in the circumstances or nature of the risks covered by this Policy that You know, or ought reasonably to have known, is relevant to Our decision to insure You and the terms on which We will insure You. If you do not, We may refuse or reduce a claim to the extent We are prejudiced by that non-disclosure.

Premium

The amount of Your Premium is determined by taking a number of different matters into account including Your risk profile. It is important for You to know that the Premium varies depending on the information that We receive from You about the risk to be covered by Us. Based on Our experience and expertise as an insurer, We decide what factors increase Our risk and how they should impact on the Premium.

Your risk profile is based on a combination of factors that assist in determining the likelihood of a claim occurring in the Policy year and the amount that the claim is likely to cost Us. The factors that make up Your risk profile include:

- Your past loss history, experience in commercial Vessel operations, and the claims history and experience of Your employees or persons who are allowed to use the Vessel;
- the type, age, area of operation, storage location and Usage of the Vessel;
- the Insured Value of the Vessel including Equipment and Accessories;
- the cover required and Deductible applicable; and
- whether You pay Your Premium annually or by instalments, and whether Your Vessel is financed and under what type of finance and relevant insurance, criminal and bankruptcy history.

Factors that increase the risk to Us may result in a higher base Premium whilst factors that decrease Our risk may result in a lower base Premium.

Your Premium also includes amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST, Emergency and Fire Services Levy) in relation to the Policy. These amounts will be set out separately on Your Schedule as part of the total Premium payable.

When You apply for this insurance, You will be advised of the total Premium amount payable, when it needs to be paid and how it can be paid. This amount will be set out in the Schedule, which will be sent to You after the commencement of the Policy. If You fail to pay We may reduce any claim payment by the amount of Premium owing and/or cancel the Policy in accordance with the "Cancellation" section below. Special rights and obligations apply to instalment Premium payments as set out below.

Non Payment of Premium by Instalments – Right to refuse a claim and/or cancel Your Policy

Where You pay Your Premium by instalments, You must ensure that they are paid on time. We will notify You if an instalment has not been paid and We will try to deduct the overdue amount along with your next regular payment. If the next attempt to deduct the outstanding amount fails, We will cancel your policy for non-payment. We will send You a notice advising You of cancellation, and cancellation will be effective 14 days from the date on this notice.

Instalment Premium Service Fee

In some cases a service fee will apply where You select to pay Your Premium by instalments. We tell You the total amount payable when You apply and when and how it can be paid. This is confirmed in the Schedule We issue to You.

How to make a claim

If You need to make a claim under the Policy, please refer to the Claims Section on page 21.

In order to be sure that You are covered under this policy You should always contact Us for approval before You incur costs You wish to claim. If You do not, We will pay for expenses incurred up to the amount We would have authorised had You asked Us first.

Cancellation

- a) You may cancel the Policy at any time by notifying Us in writing;
- b) We have the right to cancel the Policy where permitted by law.

Where the Insurance Contracts Act 1984 applies

We can cancel the Policy:

- if You failed to comply with Your Duty of Disclosure; or
- where You have made a misrepresentation to Us during negotiations prior to the issue of the Policy; or
- where You have failed to comply with a provision of the Policy, including payment of Premium; or
- where You have made a fraudulent claim under Your Policy or under some other contract of insurance that provides cover during the same period of time that Our Policy covers You.

Where the Marine Insurance Act 1909 applies

Where the Marine Insurance Act 1909 applies, We may cancel this Policy in the event of non-payment of the Premium or for any other reason available at law.

- c) If We decide to cancel Your Policy We will give written notice to You personally or by post to Your last known address or, Your intermediary as may be appropriate. Such notice will be effective from 4pm on the third business day after the day it is given to You, unless it specifies a later date. A posted notice is deemed given to You at the time it would have been delivered in the normal course of the postal service.
- d) In the event that You or We cancel the Policy, We may elect to apply a minimum Premium provision advised to You at the time You took out the Policy with Us, or deduct a pro rata proportion of the Premium for time on risk and any government taxes or duties We cannot recover. In the event that You have made a claim under the Policy and We have agreed to pay the full Sum Insured, no return of Premium will be made.

- e) If the Premium has been funded by a Premium funding company which holds a legal right over the Policy by virtue of a notice of assignment and/or irrevocable power of attorney, a refund will be made to the Premium funding company in accordance with the provisions set out above.

Limit of Indemnity

All monetary limits in this Policy may be increased for GST in some circumstances (see below).

Claim settlements – Where We agree to pay

When We calculate the amount We will pay, We will at Your request either pay You or any other party agreed with You and We will have regard to the items below:

Disclosure – Input tax credit entitlement

If You register, or are registered, for GST You are required to tell Us Your entitlement to an input tax credit on Your Premium. If at the time of the loss another policy is in force covering the same risk, We will only pay the amount in excess of the amount that is recovered under that other policy, limited to the Insured Value.

Prohibited cover or payments

Irrespective of any other provision of the Policy, We shall not be deemed to provide cover or be liable to pay any claim or provide any benefit (including a refund a Premium) hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would contravene or otherwise expose Us to any penalty, sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, the European Union, United Kingdom or United States of America.

Subrogation/Rights of Recovery Clause

We have the right to take action or institute legal proceedings, in Your name, for the recovery of payments made and expenses incurred in relation to any claim covered by this Policy, against any person, company or entity legally liable to You in respect of that claim. You must take reasonable steps to provide Us with full information and all reasonable assistance We reasonably require in the recovery of those payments or expenses.

Third party interests

You must inform Us of the interests of all third parties (e.g. financiers or lessors) to be covered by this Policy. We protect the interests of third parties only if You have informed them and such interest(s) are noted in the Schedule.

Where the interest of the third party exceeds 50% of the Insured Value of the Vessel this is a material fact which You must declare to Us.

Underinsurance

We require You to insure the Vessel for the full value. If You do not and the actual value of the Vessel or Equipment insured under this Policy is higher than the Sum Insured You have advised and We have specified in the Schedule (at the time of loss or Damage), We shall only pay You the proportional amount that the total value of the loss bears to the Sum Insured specified in the Schedule wording.

Waiver of subrogation rights

We may not be liable to pay any benefits under this Policy for loss or Damage if You agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate You with respect to that Damage to the extent that Your loss would have been recoverable from that person but for the agreement.

Claims

These procedures are important. Failure to follow them might jeopardise a claim under this Policy.

In order to be sure that You are covered under this Policy You should always contact Us for approval before You incur costs You wish to claim. If You do not, We will pay for expenses incurred up to the amount We would have authorised had You asked us first.

- (ii) release any other third party from liability;
- (iii) without Our consent:

- (iii) when any other third party may be liable, You must advise that party in writing that it is Your intention to claim on them;
- (iv) We have the right to recover from any person against whom You may be able to claim any money paid by Us. We may take over and conduct, in Your name the defence or settlement of any claim and We will have full discretion in the conduct of any proceedings in connection with the claim.
